SUMMER 2010

June 21-July 30

NOW ENROLLING!

EARLY CHILDHOOD SUMMER PROGRAMS

WHAT: Join us this summer as our camp programs explore environments throughout the world. Our adventures will take us on underwater scuba diving excursions off the Great Barrier Reef, on photo safaris through East Africa, canoe trips through rain forests, and spelunking in the Carlsbad Caverns. These are only some of the environments we'll investigate (in the realm of "pretend," of course). All adventures will be led by CEE Early Childhood and Kindergarten faculty reorganized into new teams especially for summer camp programs.

WHO: Children transitioning to, and new children entering, the EC1, EC2 and Kindergarten programs in September 2010.

WHEN: June 21 to July 30, 2010.

HOW: Complete and return the enclosed enrollment form **no later than April 30**. A deposit of at least half the tuition is due upon registration and **full payment is due by April 30**.

Register for a full six-week program (discounted) or one of two, three-week sessions. **NAVIGATORS & EXPLORERS** have a choice of full or half day plans. **VOYAGERS** entering Kindergarten have a full day plan. Afternoon Day Care is available to all children participating in full-day camp programs. Ratios of students to teachers and fee structure are consistent with year-round programs. Children transitioning to Kindergarten go on ten field trips by school bus during the 6-week session. "Expeditions" begin June 21, and continue through July 30, for the 6-week program.

AGAIN THIS YEAR!:

The last two weeks of the Voyagers Kindergarten Camp (July 19-July 30), will be led by CEE Primary Art Teacher, Keven Barrett. This year's theme, inspired by visits to local art museums, is "Art Around the World" Children will create their own "master pieces" at school using a variety of art materials in the art studio setting.
